

CONSENT FORM

Gidgee Healing provides a range of health and wellbeing services including GP services. Gidgee Healing has partnered with Spinifex State College as part of the GPs in Schools Pilot to offer fit-for-purpose school-based GP clinics at both campuses. Upon commencement of the clinics, appointments can be made via school administration officers. If there are spare appointments on the day, ‘walk-in’ appointments could be utilised by children whose parents or guardian have provided the appropriate consent.

Children aged 15 years and below are required to have a parent or approved caregiver attend their appointment/s with them. If parents/caregivers are unable to attend they can nominate a carer or school welfare representative to attend/support the child with the appointment. Students over the age of 18 do not need parent consent.

Gidgee Healing will offer the full range of healthcare services to children as is relevant and appropriate. If there are certain services you do not wish for Gidgee Healing to offer to your child/ren please identify these below.

CONSENT:
